TWO NEW ACTS ARRIVE

Two new acts for the Honolulu Aniusement Company arrived on the Wilhelmina this morning. One of those is an extreme novelty, being an animal act, the animals being none other than rats, and trained rats at that. There are all sorts of possipilities for entertainment in this odd act and no doubt will prove a great audience puller for the theater at which it opens. The other act to ar-rive was the Firri Company, who ap-pear in a sensational "strong act" that is said to be full of unique specialties.
